The Office of Risk Management is responsible for administering the property and liability insurance programs for the University. In this capacity this office acts like an insurance agency for the University.

As required by S.C. law, insurance policies are purchased through the Insurance Reserve Fund of the S.C. Budget and Control Board. Policies that are not available from the Insurance Reserve Fund are obtained by competitive bid.

To obtain an insurance quote, contact the Office of Risk Management at 656-3354.
