The Committee Appointed to take
Cognizance of the Death of their Late
Colleague Geo E T Stackhouse respectfully
reported
That the Divine Providence which has
removed our late Associate vacates a
Seat on the Clemson Board of Trustees
which has been honored by one in
whom the College's best interests always
sought first, in whose fidelity and zeal
the board and the Friends of the
College throughout the State had unbounded
confidence, and in whose loss we in common with the friends of the
institution at large greatly deplore.
That a page in the minute book of
the college be devoted to her memory,
giving date of birth, date of election on
the board and date of death.
That the President of the College be
requested to officially communicate
the sad intelligence of the death of
our esteemed friend and Colleague to
this Excellency, the Governor, and that a
copy of this report properly transcribed
be forwarded by the Secretary to the
Family of the Deceased
